Creative Children Preschool offers a developmentally planned curriculum for ages 3 to 4-plus years old. The four & five year old program will meet three times each week. The three-year-old program will meet two mornings each week. Pre-registration will begin January 20, 2012. To register, complete and return the form on the bottom to Kathy Sibbel. Registrations are positioned on a first come, first serve basis. In past years, classes filled early so please don't delay in submitting your registrations. A booklet with more information about the preschool program and preliminary schedule will be mailed to you during the summer.

Creative Children Preschool includes:

- +++ High quality 3 and 4 year old program that provides a safe and nurturing environment that promotes physical, social, emotional and intellectual development of young children
